

# Prairie View Care Center

PLANNING FOR THE FUTURE OF THOSE WE CARE ABOUT

401 South 1st Avenue | Woonsocket, SD 57385 | (605) 796-4467

## Our History

Since 1970, Prairie View Care Center has been committed to providing quality care in a manner that offers respect and dignity to the aging population in and around Woonsocket. Over the past several months we have been on a journey with a qualified team of consultants to conduct a facility assessment and evaluate the future needs of the Care Center. This work has guided us in the direction we need to take to continue to respond to the needs of people in our area while providing quality care well into the future.

## Our Goal

Fundraising efforts are underway to make this dream a reality. This building addition and renovation project will expand the services and social offerings, as well as improve the quality of care that we provide our residents. The bottom line is that this project will provide a much needed upgrade to the environment in which your loved ones live. Please join us in this critical journey to create a better place for the aging residents within our community.

Positive Outcomes of the  
PVCC Expansion and  
Renovation Project include:

- New Resident Rooms to Create Single Occupancies
- Full Utilization of our Bed Licenses
- Direct Access to Outpatient Pharmacy and Physical Therapy
- Renovation of Existing Rooms
- Additional Common Areas for Resident Interaction
- Improved Kitchen and Meal Prep Area
- Additional Staff Support Spaces
- Increased Parking Availability and Drop-off Area
- Implement Regulatory Compliance Upgrades
